Pre-License Pesticide Training

Pre-license training is for pesticide applicators, consultants, and dealers who would like to obtain a license or category.

WSU Course Information

This WSU training focuses on 8 of the 26 WSDA exams. Not all exam topics are covered in the course. Courses do not cover aquatics, public health, seed treatment, soil fumigation, or Pest Control Operator (PCO). All exam categories will be available on testing day. Testing is administered by Washington State Department of Agriculture (WSDA).

All new trainees need to attend BOTH days of the course, *except* Dealer Managers who should attend Day 1 only.

If you hold a valid pesticide license and are interested in adding a category, you need only attend the day that the category-specific information is covered (recertification credits are available).

Course attendees must pre-register for exams:
<http://pep.wsu.edu/examrequest>
