

Pesticide and Container Disposal Statement on Pesticide Labels

Disposal Instructions on Label: Household Pesticides

- Non-pressurized containers
- **If empty:** Do not reuse this container. Place in trash or offer for recycling if available.
- **If partly filled:** Call your local solid waste agency or [toll free number] for disposal instructions. Never place unused product down any indoor or outdoor drain.

Pesticide Disposal Instructions on Label: Other Pesticides

- Do not contaminate water, food, or feed by storage and disposal.
- Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.
- If RCRA listed waste or other criteria:
 - Pesticide wastes are acutely hazardous [toxic]. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to the label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Disposal Instructions on Label: Other Pesticides

- **Plastic containers:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
- **Paper and plastic bags:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Changes to Container Disposal Instructions (by 2009)

☛ All nonrefillable containers

- Nonrefillable container.
- Do not reuse or refill this container. (or another reuse statement)
- Once cleaned, some agricultural plastic pesticide containers can be taken to a container collection site or picked up for recycling. To find the nearest site, contact your chemical dealer or manufacturer or contact [recycling organization] at [phone number] or [web site]. (or another recycling statement)

☛ Rigid containers w/dilutable pesticides (not household)

- Rinse promptly
- Must include detailed triple rinsing procedure, may also include pressure rinsing
