Register online at pep.wsu.edu. Online registrations require MasterCard or VISA payment.

We also accept registration forms with payment by mail. Mailed registration forms require payment with check, MasterCard or VISA. WSU does not accept faxed registration forms or purchase orders. *Registration forms received without payment are not processed until payment is received.*

Early registrations are those postmarked 14 days prior to the first day of the program. All others are regular registrations. Note the early registration postmark deadlines in the shaded column above.

A confirmation letter will be sent via the method selected (email/U.S. Postal Service) confirming the date(s) and location(s) for which you are registered. Contact pest@wsu.edu or 509-335-2830 if there is an error.

Transfers/substitutions are accepted until 8:30 am on the day of the course. Transfers are limited to WSU Urban IPM & Pesticide Safety Education courses offered before June 30, 2017 (see pep.wsu.edu for complete list of courses). Cancellations and refund requests can be made until 10 days prior to the date of the program for which you are registered; after that time, course fee is forfeited. The WSU Privacy Policy can be viewed online at policies.wsu.edu/privacy-policy.html.

Courses are subject to cancellation due to weather extremes or low enrollment. If there is a question, call 509-335-2830. WSU offices will be closed December 26, 2016 - January 2, 2017.

Persons with a disability requiring special accommodation while participating in this program may call WSU Urban IPM & Pesticide Safety Education at 509-335-2830. If accommodation is not requested at least 10 days in advance, we cannot guarantee availability of accommodation on site.

Extension programs and employment are available to all without discrimination.

Pre-License Pesticide Training

Pre-license training is for pesticide applicators, consultants, and dealers who would like to obtain a license or category.

WSU Course Information

This WSU training is conducted in English and focuses on eight of the 25 WSDA exams. Not all exam topics are covered in the course. Courses do not cover aquatics, public health, seed treatment, soil fumigation, or Pest Control Operator (PCO). All exam categories will be available on testing day. Testing is administered by Washington State Department of Agriculture (WSDA). All new trainees need to attend BOTH days of the course, except Dealer Managers who should attend Day 1 only. If you hold a valid pesticide license and are interested in adding a category, you need only attend the day that the category-specific information is covered (recertification credits are available).
