Register online at pep.wsu.edu. Online registrations require MasterCard or VISA payment.

We also accept registration forms by mail. Mailed registrations require payment with check, MasterCard or VISA. WSU does not accept faxed registration forms or purchase orders.

Registration forms received without payment are not processed until payment is received.

Early registrations are those postmarked 14 days prior to the first day of the program. All others are regular registrations. Note the early registration postmark deadlines in the shaded column above.

A confirmation letter will be sent via the method selected (email/U.S. Postal Service) confirming the date(s) and location(s) for which you are registered. Contact pest@wsu.edu or 509-335-2830 if there is an error.

Substitutions are accepted anytime. Transfers can be made until 5 days prior to the date of the program for which you are registered; after that time, transfer fee is forfeited. Transfers are limited to WSU Urban IPM & Pesticide Safety Education courses offered before June 30, 2017 (see pep.wsu.edu for a complete list of courses). Cancellations with refund requests can be made until 10 days prior to the date of the program for which you are registered; after that time, transfer fee is forfeited. The WSU Privacy Policy can be viewed online at policies.wsu.edu/privacy-policy.html.

Courses are subject to cancellation due to weather extremes or low enrollment. If there is a question, call 509-335-2830. WSU offices will be closed December 26, 2016-January 2, 2017.

Persons with a disability requiring special accommodation while participating in this program may call WSU Urban IPM & Pesticide Safety Education at 509-335-2830. If accommodation is not requested at least 10 days in advance, we cannot guarantee availability of accommodation on site.

Extension programs and employment are available to all without discrimination.
# WSU Recertification Training

Six WSDA recertification credits per day

## Integrated Pest Management for Landscapes and Turf

Environmental Protection and Personal Safety

Below are examples of course topics. Program agendas are available online at pep.wsu.edu/rct/wwrctdates for each location.

- Turf Insect Pests
- Know Your Beneficial Insects
- Grasses as Invasive Species
- How Herbicides Kill Weeds
- Managing Weeds in Bioretention Features
- Biocontrol of Weeds
- Browning Boxwood - Blight or Canker?
- Distinguishing between Common Landscape Problems
- What Pesticides are in Our Water?
- Pesticide Misapplications and Consequences
- Health Effects of Pesticide Exposure
- Pesticide Selection: Efficient, Effective and Legal

---

---

## PAYMENT INFORMATION

Make check payable to WSU PESTICIDE EDUCATION and mail form & payment to:

**WSU Urban IPM & Pesticide Safety Education**  
PO Box 646382  
Pullman, WA 99164-6382  
509-335-2830

Visit pep.wsu.edu to register online or check if course is full.

---

**REGISTER EARLY**

Check to see if classes are full at pep.wsu.edu

Note transfer policy on registration page.
IPM for Sustainable Landscapes & Natural Areas

The IPM workshop is two days. Registration is for both days. Classes run from 8:30 am to 3:30 pm each day. Workshop is limited to 60 participants and offers 12 WSDA credits.

Puyallup • WSU Puyallup

January 18 -19, 2017
(Early registration deadline 1/4/17)

Learn how to manage a sustainable landscape or natural area with IPM strategies. Reduce pest problems with proper plant selection, healthy soils and compost amendments. Monitor for plant problems and understand appropriate non-chemical and chemical methods for sustainable site maintenance. Hear about the latest research on reducing pesticide run-off with biofiltration features. Improve your visual assessment techniques for tree disease and insect problems.

Register Online

pep.wsu.edu

Courses that are full will be listed on the homepage.

If you want other information or brochures for Western Washington Pre-Licence Training or Eastern Washington Programs, visit our website pep.wsu.edu or call 509-335-2830.

Internet Recertification Courses

Available in English and Spanish at:

pep.wsu.edu

Each internet recertification course is one credit and can be taken from your home or office computer.
